

MIDDLE SCHOOL CURRICULUM MAP – FRENCH TRACK

6th

7th

8th

French Curriculum

Language: Literary and artistic culture ; Writing ; Reading and Understanding skills.

Humanities: Ancient history ; Organization of human living spaces.

Math: Geometry (Area, Volume, Angles).

Science: Ecosystem ; Cell ; Chemistry.

Art: Drawing ; Painting ; History of Art.

Physical Education: Coordination ; Team work ; Speed endurance ; Volleyball ; Rugby ; Badminton ; Athletics.

French Curriculum

Language: Literary and artistic culture ; Writing ; Reading and Understanding skills.

Humanities: Medieval and Early Modern History (16th and 17th centuries) ; Global change and essential resources problems.

Math: Algorithm ; 3D Representation ; Data organisation and communication.

Science: Human functions ; Metabolism ; Evolution.

Art: Drawing ; Painting ; History of Art.

Physical Education: Coordination ; Team work ; Speed endurance ; Volleyball ; Rugby ; Badminton ; Athletics.

French Curriculum

Language: Literary and artistic culture ; Writing ; Reading and Understanding skills.

Humanities: 18th century in France and Europe ; Contemporary globalisation.

Math: Cartesian coordinate system, Trigonometry, Functions.

Science: Geology ; Immune system ; Genetic.

Art: Drawing ; Painting ; History of Art.

Physical Education: Coordination ; Team work ; Speed endurance ; Volleyball ; Rugby ; Badminton ; Athletics.

US Curriculum

Language: Novel Studies ; Writing Skills ; Types of Writing (Informative, Narrative, Persuasive, Descriptive).

Humanities: Mesopotamia ; Ancient Egypt ; Ancient China ; Study of Poverty.

Math: Saxon Math 6/7 ; Saxon Math 7/8.

Science: Structure and interactions of Matter, Life Science, Body systems, Genetics, Earth Science.

Music: Rhythm ; Melody ; Harmony using buckets recorders ; Pitched and unpitched instruments.

US Curriculum

Language: Novel Studies ; Writing Skills ; Types of Writing (Informative, Expository, Narrative, Persuasive, Descriptive).

Humanities: World War I ; Roaring Twenties (1920s) ; The Great Depression, Jim Crow Laws, U.S. Civil Rights Movement ; Russian Revolution ; Intro to Communism.

Math: Saxon Math 7/8 ; Pre-Algebra.

Science: Change on Earth and Human impacts, Forms of Energy

Music: Rhythm ; Melody ; Harmony using buckets recorders ; Pitched and unpitched instruments.

US Curriculum

Language: Novel Studies ; Writing Skills ; Types of Writing (Informative, Expository, Narrative, Persuasive, Descriptive).

Humanities: Industrial Revolution ; World War II ; Intro - Vietnam War ; History of Gangs - Societal Groups.

Math: Saxon Pre-Algebra ; Algebra 1

Science: Conceptual Physics, Including projects

Music: Rhythm ; Melody ; Harmony using buckets recorders ; Pitched and unpitched instruments.

PERSONAL INQUIRY PROJECT - 3RD LANGUAGE - ROBOTICS
